Mr J. Gray

Dear Sir: From the confusion  
of moving, we have been unable to make  
up our copyright accounts till now. We  
beg to submit a statement of yr <sup>ac</sup> for  
copyright on N. P. G. which considering it  
has but a partial season, in '58 times,  
shows well for a new book. We have ordered  
a new edition printed by Metcalfe, & are making  
preparations to push it hard this Spring. We  
are now preparing "Ed. News" N<sup>o</sup> 3, in which we  
give two entire pages to Putnam, & shall do all  
in our power to show a large feature in July '59.

We credit according to our usual custom,  
<sup>from Jan 1.</sup>  
4 mos: & will if you desire it, send note,  
or if you prefer, discount the sum & send our  
check for balance. Hoping this will be  
satisfactory, we are  
D<sup>r</sup> Sir

Very truly Yours  
Wison & Phinney
